

WE NEED YOUR HELP TO RESTORE HUMANITY

Say no to Pet Abandonment, Indiscriminate Breeding & Casual Ownership. We **Cat Welfare Society** (CWS) and **Pet Lovers Foundation** remain committed to help re-home abandoned cats. Since initiating monthly adoption drives in 2011, we have found permanent homes for over 200 cats. We believe that a large number of culled street cats were former pets abandoned by irresponsible owners. Thus, we seek to ensure that cats go to good and responsible owners.

Homeless cats face a harsh reality. Constant danger lurks in every corner and it is estimated that a street cat only lives an average of 2-3 years. A cat with a home, on the other hand, have an expected life span of 20 years! Every cat deserves a second chance, complete your family with a feline!

To help you with your newly adopted cat, PLC is sponsoring:
Starter kit worth \$50.00. Kitten bonus plan worth more than \$10.00 and VIP member card worth \$3.80.

The adoption drives are held at 3 locations from 1.00 pm till 6.00 pm.
